

TEMP-CON APPRENTICESHIP PROGRAM

OPEN ENROLLMENT

SHEET METAL-HVAC • REFRIGERATION & PIPEFITTING • HVAC SERVICE

Program

The Temp-Con Apprenticeship Program is a free four year State accredited program with a focus in three fields/specialties - Sheet Metal, Refrigeration Pipefitting and HVAC Service.

The program includes a once weekly night class in addition to on-the-job training, culminating in a final exam at the end of the second semester.

Highlights

- Hands-on job training and guidance from experienced instructors.
- Chance to obtain the knowledge needed to keep up with industry standards.
- Job placement opportunities.

Eligibility

The Temp-Con Apprenticeship Program is open to all current, new and future Temp-Con employees with less than 3 years experience. For anyone with over 3 years experience, we will offer these courses as electives for continuing education.

For those that are not currently employees of Temp-Con, you must first apply for a position with TC before enrolling in the program. No prior experience is required.

Timeline

The TC Apprenticeship Program runs through the traditional school year, beginning September 18th, 2023, and ending June 20th, 2024.
