

# OPEN ENROLLMENT APPRENTICESHIP PROGRAM

**SHEET METAL-HVAC  
REFRIGERATION & PIPEFITTING  
HVAC SERVICE**

## Program

---

The Temp-Con Apprenticeship Program is a **free** four-year State accredited program with a focus on three fields/specialties - Sheet Metal, Refrigeration Pipefitting and HVAC Service.

The program includes a paid class once a week during the day in addition to your guaranteed on-the-job training hours, culminating in a final exam at the end of the second semester.

## Highlights

---

- Hands-on job training and guidance from experienced instructors.
- Chance to obtain the knowledge needed to keep up with industry standards.
- Job placement opportunities.

## Eligibility

---

The Temp-Con Apprenticeship Program is open to all current, new and future Temp-Con employees with less than 3 years experience. For anyone with over 3 years experience, we will offer these courses as electives for continuing education.

For those that are not currently employees of Temp-Con, you must first apply for a position with TC before enrolling in the program. No prior experience is required.

## Timeline

---

The TC Apprenticeship Program runs through the traditional school year, beginning middle of August, and ending the beginning of June.
